Deep Valley Christian School

Athletics Behavior Eligibility Criteria

To participate fully in extracurricular activities, athletics, and leadership opportunities, students are expected to demonstrate both academic responsibility and Christ-like behavior.

Academic Eligibility

- Students must maintain at least a C average (2.0 GPA) in all core subjects (English Language Arts, Math, Science, Social Science, Music, PE, Bible).

- Students may not have grade(s) below a C- at any eligibility check.

- Eligibility checks will be completed on December 4, March 24, and May 14, as well as during regularly scheduled grading reports (trimester grades and progress reports).

- Students who fall below the academic standard will be placed on probation until the next scheduled progress check. Grades will be monitored weekly. Students may regain competition eligibility after one week if they meet the required standard. Weekly grade checks will continue through the next progress review.

- If a student who has regained eligibility falls below the standard again after the second week, he or she will be declared ineligible for a period of two weeks. This procedure will apply to any subsequent probation periods for the remainder of the year.

Behavior Eligibility
- Students are expected to demonstrate respect toward teachers, staff, peers, and property.

- Repeated classroom disruptions, disrespect, or failure to follow school rules may result in temporary ineligibility.

- Office referrals for serious misconduct (e.g., dishonesty, bullying, unsafe behavior) may result in immediate suspension of eligibility until reviewed by administration.

- Students are expected to uphold Christian values and represent DVCS well both on and off campus.

Teacher & Administration Review

- Final eligibility decisions rest with the administration in consultation with parents and staff.

- Support plans developed by administration, involving parents and teachers, will be provided to help students return to good standing academically and behaviorally.
