Deep Valley Christian School offers interscholastic athletics for students in 5th–8th grade, giving students the opportunity to build teamwork, sportsmanship, and athletic skills while representing our school in competition with other schools. Our athletics program encourages students to stay active, develop discipline, and grow in confidence through healthy competition.

Seasonal sports offered include:

- Spring: Track

A \$100 participation fee applies for each sport. This fee helps cover the cost of sports equipment and other program-related expenses needed to support the athletics program. Please see the Behavior Eligibility Criteria and Athletic Code of Ethics for additional expectations and participation guidelines.
