

JUNIOR HIGH ADMISSION CRITERIA

- Deep Valley Christian School (DVCS) seeks applications for enrollment of Junior High students from families whose children have experience in faith-based education, who embrace Christian values and are of good character. Students should demonstrate a desire for academic achievement.
- A yearly application is required of all students who desire to attend Junior High at DVCS. In review of the application, the following factors are taken into consideration:
 - Behavior and Attitude
 - Academic Achievement
 - Student Motivation
 - Commitment to uphold the policies of DVCS
- Approval of enrollment into Junior High is based upon evaluation of the application, a personal interview with the Administrator, educational performance, support for our statement of faith and policies, and the student's desire to attend DVCS.
- DVCS may require reference letters to accompany the application.
- Re-enrollment each year is contingent upon maintaining these standards.
- If the student is not a former DVCS student, we may require additional references, an academic assessment, and a review of previous school records before final approval of admission is given.
- Students should realize and agree that they are responsible at all times to conduct themselves in a manner that brings credit to the name of Christ, their family, themselves, and their school.
- It is a privilege to attend DVCS. Acceptance and enrollment is at the sole discretion of the school. DVCS reserves the right to deny enrollment or re-enrollment to any student, for any reason, at its sole discretion.
